EGGINTON SCHOOL PTA SUMMER 2013 - NEWSLETTER

Welcome to our summer newsletter. We thought that it would be a good idea to put together a news letter to review all the fundraising activities that have happened over the last year.

The PTA is here to raise funds for the benefit of the children's education, and to enahnce their learning experience, as well as to foster good relations between the school, parents and the local community.

The PTA would like to thank you all for all of your support over the last year, and look forward to your continued support over the next year.
